Kids These Days

Hosted by
Lorianne Crook

Please join us for a special presentation by the students of The Foundation for CAP, our ministry outreach to Children Are People. The kids, and adults, have been working hard on a music video, dance program, drum presentation, and skit, as well as individual performances on the violin and piano. The kids have even designed the tie-dyed t-shirts for this special performance. Lorianne Crook of Crook and Chase fame will be hosting.

We are inviting the students' families and the community to attend this presentation, so this will be a wonderful opportunity for First Presbyterian Church to welcome our neighbors with open arms. We would love to see the sanctuary filled, and that begins with our congregation.

The program begins at 4:00 and shouldn't last much longer than an hour, with a simple reception following in the fellowship hall. Please help us love on these kids, and their families, and also show our support for the adults who give so much of their time and effort and talents to this program throughout the year. A love offering will be taken to provide funds for next year's Foundation.

The Foundation for CAP is a First Presbyterian Church Gallatin arts ministry for the students of Children Are People, an after-school program for at-risk children. Contact Jennifer Anderson at jander216@yahoo.com or 615-545-5192 for more information.

MISSION AND OUTREACH

Thank you to all for cooking, buying, and donating to the Habitat Bake Sale for the landscape project. It was very successful as we raised \$619 for plants and supplies.

The date for the landscape installation in Portland is Saturday morning, June 16th. Please mark the date on your calendar and plan to attend. We need your help! More details to come.

Dear Church Family
I want to thank everyone for their visits, flowers, cards, calls and prayers during my recent stay in the hospital and rehab. I appreciate all of you so much and it has meant so much to me. Thank you all. I love you everyone.

Marie Sterrett

A big thank you to everyone who helped make our scholarship fundraiser dinner/auction a great success. We earned \$4,600 to go into our scholarship fund. This is a great ministry for our FPC families.

CHRISTIAN EDUCATION

VBS is only one month away! June 4-8, 9:00 am until noon. We are moving along well with our plans for Bible stories and related activities as well as creating the scene for a great Rolling River Rampage! Isaiah 43:2 says in part, 'As you pass through the waters, I will be with you.' This will be our mantra for the week. Oscar the otter is getting excited about seeing everyone and sharing the good news! If we have not invited you to be with us during the week, help us prepare, or supply something we might need, we apologize. All are welcome and encouraged to be with us in body, mind and soul! Thank you so much to all who gave us newspapers. We are putting them to good use. The things we need now are:

Washable markers: 4 packages

Yarn: any color, not heavy (needed to make God's eyes)

Disposable roasting pans: 4

1 small box of cornstarch

2 8 foot (or so) length of guttering, any size or color, will be returned after use, not necessary that it is new; we need it for a custom boat race

Snacks each day for staff. We have snacks for the children, but we like to have coffee/donuts/cookies/cakes / something for those who have volunteered their time to make this a great time of learning about God's love.

Of course, a monetary donation is always the correct size and color if you are unable to assist with any of these items.

Thank you in advance for your help and support. Watch for indications this "Rampage" is going to be great!
